O R D E R

On January 24, 2011, Windstream Kentucky East, LLC (“Windstream”) and New Cingular Wireless PCS, LLC d/b/a AT&T Mobility (“AT&T Mobility”) jointly moved the Commission to extend the deadline for filing an updated procedural schedule from January 25, 2011 to February 8, 2011. As grounds for their motion, the parties state that the additional time will allow the parties “to discuss and work to resolve issues regarding the preparation of a new traffic study”¹ The parties assert that input of the appropriate business entities is necessary for the preparation of the traffic study because such preparation includes several complex issues that must be resolved before a traffic study can be submitted to the Commission. They state that the arbitration proceeding cannot progress without the traffic study.

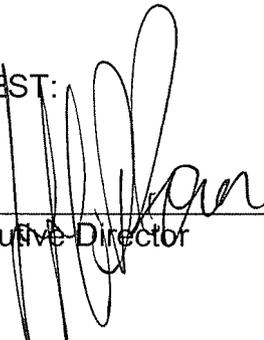

The Commission finds that good cause exists to grant the parties’ request. IT IS THEREFORE ORDERED that the parties have until February 8, 2011 to file a joint procedural schedule with the Commission.

¹ Joint Motion to Extend Deadline for Filing Procedural Schedule and Request for Expedited Treatment at 1.
